Woodlands Adventist School, hereafter referred to as WAS, is a coeducational day school for grades K-9 in Ponoka, Alberta. It is operated by the Ponoka Seventh-Day Adventist church in conjunction with the Alberta Seventh-day Adventist Conference.

WAS is governed by a Board of Trustees composed of elected members from the constituency of the Ponoka Seventh-day Adventist Church. Meetings are held monthly.

WAS is operated primarily for Seventh-day Adventist youth of Ponoka and area, but all students who understand and comply with the school's programs and regulations are welcome.

WAS is run by the Alberta General Conference of Seventh-day Adventists and accredited and funded by the Alberta Government. All teachers have valid Alberta teaching certificates and teach the Alberta curriculum with a Christian perspective.

The school was established in 1981 in the Morningside community hall with one teacher, and in January of 1982 moved onto the current property and added a second teacher. WAS currently hosts three classrooms, office, home economics room, and gymnasium.

The founders of WAS believed wholeheartedly in the principles of Christian education and worked to begin a legacy that has lasted over 40 years.

It governs the collection, use and disclosure of personal information by organizations in a manner that recognizes and balances the right of an individual to have his or her personal information protected, and the need of an organization to collect, use or disclose personal information for purposes that are reasonable.

WAS is bound by the requirements of this Act and collects, uses or discloses personal information in accordance with its provisions.

In cases where the concerned party is dissatisfied with the Board's decision on the appeal, a further appeal may be made to the Superintendent of Schools for the Alberta Conference of Seventh-day Adventists. The Superintendent will render a

final decision on the appeal, and no further appeals will be considered.

Foreign and Transferring Students:

All students requesting transfer to WAS will be interviewed by the principal. Registration after the first day of school can take up to 2 weeks to process.

Academic Program and Policies:

Philosophy:

Each student at Woodlands Adventist School is capable of achieving academic success. For some, this success comes more easily than others, but each student has the ability to reach their greatest potential. The teachers at WAS are committed to creating an environment that is conducive to learning and helping each student achieve their very best

Grading System:

WAS teachers from grades K-9 use the grading system set out by the Alberta Seventh-day Adventist Conference. Parents and students (K-9) will be able to access grades at any time using PowerSchool, an online grading program. This allows students to take responsibility for ensuring that all their homework is handed in, and to keep track of how they are doing in class.

Academic Advancement:

A student’s academic advancement is determined by how prepared a student is to handle the next level. At WAS, students advance by grade level. *Students who fail (49% or lower) more than three core subjects will be recommended to not advance.*

Report Cards:

Communication about student progress is of crucial importance. Report cards are issued three times a year and are accompanied by an interview with the teacher twice a year. Informal reporting also occurs throughout the year. Parents and students are encouraged at any time to contact your teacher with any questions, concerns or comments.

Grade Scale for Grade 4-9			
Excellent	Above Average	Satisfactory	Below Average
A+ 96-100%	B+ 82-84%	C+ 70-74%	D 50-59%
A 90-95%	B 78-81%	C 65-69%	Unsatisfactory
A- 85-89%	B- 75-77%	C- 60-64%	F 0-49%

Student/Parent-Teacher Conferences:

Parents are encouraged to schedule a conference after report cards are issued for each student and their families to review and discuss in depth the student’s progress. It is an opportune time to come prepared to share ideas, concerns, praise, encouragement, and to see their children's’ work.

Canadian Achievement Test

In June, grades 2-5,7-8 students write the CATs. These tests are designed to assess student progress. These tests cover the areas of Language Arts, Math, and Reference Usage.

Provincial Achievement Test:

In May and June all Alberta students in grades 6, and 9 are expected to write provincial tests for their grade levels. The tests are designed to show how well students are meeting the provincial standards. Grades 6 and 9 students write tests in Math, Language Arts, Science, and Social Studies.

Attendance:

The goal for all students and parents should be perfect attendance, but sometimes emergencies occur and it is not always possible to be in school. Plan ahead with your teacher to make up schoolwork. Students (and parents) are responsible for days missed. In the case of unforeseen absences, please call, text or email the homeroom teacher by 8:30 am to keep your teachers informed. Exceptions may be made only if a request has been made to the teachers prior to the absence.

Tardiness:

Students are expected to be in their classes on time and prepared to learn. Students should arrive on time but not prior to 8:10 am. Exceptions should be arranged in advance with the homeroom teacher. Students are expected to go directly home after dismissal each school day.

Illness:

If your child becomes ill during the school day, you will be notified. WAS has a bed for short-term care until the parent/guardian arrives. Please do not send a sick child to school since there are limited facilities for care or comfort and illness may spread to others.

Student Life:

Student Behaviour:

Principles of Christian conduct are upheld at WAS. Honesty, courtesy, reverence, purity, and obedience are emphasized. It is understood that when applications are made for admission to the school, all students thereby pledge themselves to follow the regulations and to live in harmony with the ideals and policies of the school. Students are encouraged to practice the principles:

- showing respect for God, the Bible, and the religious ideals of the Seventh-day Adventist Church
- showing respect for self and others by refraining from:
 - the infliction of injury
 - insubordination (rebellion)
 - bullying

If parents need to contact their child they can call the school and the staff will contact the student.
 - All electronic games that are played on any handheld device are to be left at home.
 - students in Grades 5-9 are encouraged to bring electronic devices to school for use in researching academic information. Student's ability to use personal devices will be based on responsible behaviour and management by the student. This privilege may be withdrawn for misuse.

- Students who demonstrate an unwillingness to cooperate in maintaining the school standards, including the support of the above principles, seriously jeopardize their privilege of continuing in school.

Harassment

Harassment is any unwelcome physical or verbal behaviour. Harassment occurs when such conduct undermines another individual's personal dignity by causing embarrassment, discomfort, humiliation or offence; or such conduct interferes with an individual's work performance or learning opportunities by creating an intimidating or hostile work or learning environment.

Bullying

We are committed to providing an environment in which all individuals are treated with respect and dignity. Each individual has the right to work and to learn in a safe setting which promotes equality of opportunity and which prohibits discriminatory practices.

Policy for Bullying Prevention

Woodlands Adventist School believes that all students have a right to a safe and healthy school environment. The school and community have an obligation to promote mutual respect, tolerance, and acceptance.

Woodlands Adventist School will not tolerate behaviour that infringes on the safety of any student. A student shall not intimidate or harass another student through words or actions. Such behaviour includes direct physical contact, such as hitting or shoving, verbal assaults such as teasing or name-calling; social isolation or manipulation, and cyber bullying such as posting harmful material or engaging in

other forms of social cruelty using the internet or other digital technologies.

The WAS School Board is committed to providing an environment in which all individuals are treated with respect and dignity. Each individual has the right to work and to learn in a safe setting which promotes equality of opportunity and which prohibits discriminatory practices.

Woodlands Adventist School expects students and/or staff to immediately report incidents of bullying to the principal or vice-principal. Staff members are expected to immediately intervene when they see a bullying incident. Each complaint of bullying should be promptly investigated. This policy applies to students for any activity on school grounds while traveling to and from school, during the lunch period or any other school-sponsored activity whether on or off campus.

Suggested Student Code of Conduct should include, but not be limited to the following actions and consequences:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.

If the complainant student or the parent of the student believes that the investigation or complaint was not resolved appropriately, the student or parent of the student should contact the principal or the school office. The school prohibits retaliatory behaviour against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behaviour include, but are not limited to the following:

- The school will make reasonable efforts to keep confidential a report of bullying and the result of the investigation.
- Parental concerns regarding acts of bullying toward their child will be logged and investigated, followed by feed-back to the parents.
- Staff members will immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident. Such reporting will not reflect on the victim or witness in any way.

Dress Code:

The dress code at WAS is based on principles of modesty, safety, common sense, and Christian morality.

- Clothes should be clean, in good taste, modest, and properly fastened.
- Any clothing or accessories with slogans or pictures must be in good Christian character.

School Ground Leave:

In the interest of student safety, students will not be allowed

off WAS school grounds during school hours (8:25 a.m. to 3:35 p.m.) unless the student has been signed out at the office by an approved parent/guardian. Please notify the school in writing if you have arranged alternative transportation for your child.

Discipline Philosophy and Procedure:

We believe that we are responsible for our actions and that every action has a consequence. Taking responsibility for our actions is the main purpose of our disciplinary philosophy.

General Misbehaviour:

Acts of misbehaviour will be dealt with in a 'situation by situation' basis. The consequence to any misconduct will depend on the circumstances.

Serious Misbehaviour:

Serious misbehaviour such as fighting, harassment, defying teachers, misuse of fire alarms and devices, stealing vandalism etc will result in immediate consequences such as suspension, the duration of which will be determined by the principal. Parents/guardians will be contacted and a meeting set up to discuss the problem and possible solutions. As a result of that meeting, an agreement based on the Behaviour Report/Agreement will be entered into. In severe cases a meeting with the WAS School Board will take place.

Parents/Guardians and students are encouraged to communicate to the staff of WAS concerns that they may have. Following Matthew 18, this process is as follows:

1. Initial contact should be between the parent/guardian or student and the staff member concerned. The staff member may document this contact.
2. If the parent/guardian or student does not feel that the concern has been resolved, they should inform the principal. The principal will then seek to mediate the settlement.
3. If this mediation does not resolve the issue (or the concern is with the principal themselves), the parent may contact the School Board Chairperson.
4. If this issue remains unresolved, at this point the WAS School Board will be presented with the concerns and the mediation process will continue.
5. If this Board mediation does not resolve the issue, the parent may contact the Superintendent of Schools for the Alberta Seventh-day Adventist school system. Contact information may be obtained from the school's office.

Student Code of Conduct: Students who attend WAS are expected to support the school and its philosophy of providing a quality and wholesome Christian education to its students. In particular, they agree to the following:

- Strive to achieve personal excellence in all that I do: academics, extracurricular activities, service to others, and behaviour;
- Respect God and strive to follow Jesus Christ;
- Treat others with dignity and respect, acting with compassion and kindness;
- Faithfully develop the gifts and abilities God has given me;
- Be truthful and uphold my integrity;
- Show pride in my work;
- Contribute to a positive learning environment;

- Respect and honour my parents and teachers for their knowledge, guidance, and support;
- Refrain from harassment and bullying of any kind.

Academic Honesty Policy: It is critical that students are aware of situations that may arise where they are tempted to act dishonestly, and of the consequences that these acts will result in. In order to prevent situations where cheating or plagiarizing may take place, students will acquire skills with respect to documentation of sources (bibliography, endnotes, and quotations) and studying. Appropriate consequences (academic penalties, suspensions, etc.) will apply to acts of plagiarism, cheating, collusion or other acts through which a student unfairly misrepresents his/her effort or achievement.

- "Plagiarism" occurs when a student knowingly takes someone else's work or ideas and passes it off as their own (on either academic assignment, project, test, or examination).
- "Cheating" occurs when a student acts dishonestly or unfairly in order to gain an advantage.
- "Collusion" occurs when a student knowingly allows his or her work to be submitted by another student.

Student Clubs

If a group of students requests to establish a voluntary student organization (Student Club), they may make an application to the Administration by filling out a "Student Club Application" (found in the School Office). The application must include club name, purpose, proposed activities, meeting frequency, time and place, budget requirements, student organizers, and requested staff advisor. The decision to approve the establishment of a Student Club will reside with the Administrator and School Board. The school guidelines for Student Clubs have been established by the Alberta Conference of Seventh-day Adventist and are as follows:

1. All club activities must be congruent with school's Mission and Vision.
2. All student clubs must build student morale, contribute to the community through acts of service, and build positive support for the school.
3. All club activities must be inclusive to all students (regardless of race, sex, gender identity, religion, national origin, disability).
4. All club meetings and activities must be voluntary and student-initiated.
5. All club activities must be supervised by the staff advisor.
6. All club activities must have prior approval from the Principal.
7. Club meetings and activities must occur during non-instructional time.
8. All published student club materials must be approved by the Principal.
9. Clubs may have guest speakers but may not have regular attendance by non-school persons
10. The school will not expend funds beyond the incidental cost associated with providing the space for student-initiated meetings.

General School Information:

Student Accident Insurance:

Each student is covered by twenty-four hour accident insurance with Industrial Alliance Pacific Insurance Financial Services Inc. This insurance does not duplicate Alberta Health Care coverage.

If a student receives an injury, or is involved in an accident which could be covered by accident insurance, contact the school office for more information and to receive an accident claim form.

Bicycles and Vehicles:

For safety reasons, students are asked to not ride or use their bicycles, scooters, skateboards or rollerblades on the school grounds during school hours. Failure to comply with these regulations may result in forfeiting privileges. In compliance with existing laws, students are required to wear proper bike helmets.

The school assumes no responsibility for bicycles or motorized vehicles at the school beyond the customary playground supervision at recesses and noon.

Computer Use:

The use of the Internet and computers provides real educational benefits to students. Access to computers and the Internet is given as a privilege to students who agree to act in a considerate and responsible manner under the direction of the teacher. We require that students and parents or guardians read, accept and sign an Acceptable Computer Use Policy Agreement at the beginning of the school year.

Field Trips:

If planning to drive for school field trips, please bring proof of \$2 million public liability insurance and a criminal record check.

Home and School Association:

The Home and School Association has been established to promote understanding and cooperation between parents/guardians and teachers. All parents/guardians, teachers, and other interested adults are invited and encouraged to attend regularly the meetings and programs of the association. Please watch for announcements in the school newsletter and in the church bulletin.

Library:

Students are encouraged to make use of the books in our library. We ask that books be handled with care and returned by the due date. Students will be financially responsible for lost or damaged books.

Locks:

The school provides lockers or cubbies for the students' personal use. The school, however, cannot take responsibility for the contents in the lockers. Valuable property should not be brought to school. The school retains its ownership rights to the lockers and may at any time inspect the lockers and confiscate articles which should not be on school premises.

Lost and Found:

Please check the Lost and Found box periodically. Several times a year the lost and found box will be emptied and the contents will be put on display. Any unclaimed articles will be donated. Valuable and small lost and found items will be kept in the office. Students may ask for a lost item at the office.

Medication Policy:

At registration, a health statement, including allergies or any other special medical issues, must be filled out by the parent / guardian. The parent / guardian of the student assumes responsibility for informing the Head Teacher of any change in the students' health.

The school will not supply medication for students. It is the parents' responsibility to provide any medication that a student requires.

The school will generally not administer medication to students. However, if as an activity of daily living, a student is required to take medication during school hours and the parent / guardian cannot be at the school to administer medication, a staff member in the presence of an adult witness, may assist by overseeing the child administer pre-measured doses of medication provided by the parents. The following regulations will be adhered to. Written instructions signed by the parent / guardian and physician are required and will include the following: student's name, name of medication, purpose of medication, time of medication, dosage, possible side effects and procedures to follow in case of an adverse reaction, and termination date of administering the medication. Parents who request the school to assist with medication will be required to fill out the "Administration of Medication" form.

It is the parents' responsibility to notify the principal in writing of any medical issues their child may have, initiate medication at home, and notify the principal in writing of any change in medication or medical condition.

The WAS Board (and school) retains the right to reject requests for administration of or assistance with medicine.

School Visits & Security:

Parents who wish to visit with a teacher are asked to do so after school hours. Making an appointment will ensure that the teacher is available. Parent visits before school are strongly discouraged as teachers need to be available to greet students and help them get ready for a prompt school start at 8:25 a.m. Thanks for your help.

WAS students wishing to invite a relative or friend to school must first make arrangements with the teacher(s) involved. Students from other schools are to do their visiting after school hours only.

Emergency and Safety Procedures:

The safety and wellbeing of all students and staff are a top priority for the WAS Board and Administration. As such, WAS has an established Emergency Action Plan, which includes fire evacuation, lockdown, bomb threat and First Aid/Medical Emergency Care. Fire and lockdown drills will be held periodically throughout the school year. Students are educated on the emergency procedures at the beginning of each year. Additionally, student fire evacuation and lockdown procedures are posted in visible areas of each classroom.

WAS strives to provide all staff with first aid training.

Fire Drills:

A specific number of fire drills are required of each school during the school year. Whenever the fire alarm rings, everyone in the building must leave through the designated doors and meet in assigned areas. Each classroom has a map posted near the door showing the route to be taken and the place to assemble. Teachers will stay with their classes at all times while outside. The signal to re-enter will be given by a member of the administrative team.

Lockdown:

A lockdown is an emergency procedure where students, teachers, and faculty are confined to their rooms due to a perceived or real threat either outside or inside the school. Throughout the school year, a number of lockdown drills will be practiced. A lockdown drill is much like a fire drill in that it is a drill or practice to help students be prepared and not to panic if a real threat were to occur. Teachers will educate their students on the specific procedures required for a lockdown. Drills can be scary and students may feel threatened, however, because safety is our number one priority, they are necessary.

School Closures:

There may be days that WAS will have to cancel the bus service and/or school due to weather conditions. The school will close when temperatures or wind chill are -40 and below Celsius. We will consult the guidelines of Wolf Creek School Division for guidance. The decision will be made prior to 6am and communicated to parents through text message, email, or phone.

Weapons:

Students are not allowed to bring or use any objects construed as capable of causing bodily harm. Items found in and around the school that could cause injury are also not allowed to be used for the purpose of physically injuring others.

Telephone:

A courtesy phone is provided in the office for students to use during school hours when they need to make personal phone calls. If parents/guardians need to call their child(ren) or teacher(s), it would be preferred that they call at recess, noon break, or after school.

Responsible Technology Agreement:

Students, staff and administrators at WAS have the opportunity to access the WAS network to facilitate educational and professional growth objectives. Network/Internet access opens up a vast resource for school entities throughout the world and allows users to reach out to many other people, to share information, learn concepts and research subjects. With this educational opportunity comes responsibility. It is understood that WAS does not have sufficient resources to monitor every aspect of network use. However, the purpose of these guidelines is to foster the independent use of the network, subject to compliance with procedures and standards for appropriate network behaviour and communication. All WAS computer users must follow the guidelines set out in the WAS Responsible Technology

Use Agreement.

Privileges: The use of the WAS network is a privilege, not a right. As such, inherent with this privilege, are responsibilities with which the school expects full and complete compliance. Breach of these responsibilities may result in loss of complete access privileges. The school has the right to review any material stored on its network and to edit or remove such material as well as to monitor all network activity. The user is held responsible for his/her actions whenever using WAS's technology. Inappropriate/unacceptable uses of the WAS technology will result in the withdrawal of computer privileges. All users of WAS technology will agree to respect the equipment, security and privacy of other users. The school Principal in conjunction with the System Administrators will deem what is appropriate use and their decision is final. The System Administrators may close an account at any time as required. The administration and school staff of WAS may request the System Administrator to deny, revoke, or suspend specific user accounts or specific privileges such as Internet or email at any time as required.

Property: The WAS network and e-mail system is the property of WAS. Unauthorized use of the network and e-mail system is prohibited. Access to the network and e-mail and other online systems of WAS is a privilege granted to users by WAS and may be revoked or withheld at the discretion of the Principal or designates.

Privacy: Users do not have a personal privacy right in any matter created, received, stored in or sent from the WAS network or e-mail system. The Principal or designate reserves the right to access any files to determine whether or not a student or employee is using the system for items of true "educational value". WAS may at times and without prior notice, monitor and review e-mail messages and web site retrieval by network users to ensure proper use.

Personal Safety: The following rules will help promote user personal safety:

- Protect personal privacy, as well as the privacy of others. Do not give out personal information (address, telephone, number, parents' work address/telephone number, or name and location of your school);
- Let someone in authority know right away if you come across any information that makes you feel uncomfortable;
- Never agree to get together with someone you meet online;
- Never send a personal picture or any other personal information;
- Do not respond to any messages that are inappropriate, mean or in any way make you feel uncomfortable;
- If you are being harassed let someone in authority know.

Accounts and Passwords: Users must obtain an authorized account and password from the WAS Technology Services Department in order to access the WAS network and e-mail system. The user should consider the account and password confidential and should not share the account or password with any other person or leave the account open or unattended at any computer system.

Systems and Maintenance: Users should periodically remove or erase their files from their folders or e-mail messages from WAS's server. E-mail or other files stored on a WAS file server are not considered private property and may be removed by authorized Technology Services personnel without prior notice to the user.

Responsible Use: All technology use must be in support of education and research and consistent with the educational objectives of WAS. Transmission of any material in violation of any Federal or Provincial regulation is prohibited. This includes, but is not limited to the following:

- Network use is restricted to only those users that have been issued an authentic username and password by the WAS Technology Services Department
- Downloading or transferring copyrighted materials to or from any WAS computer without the express consent of the copyright owner is a violation of federal law and is expressly prohibited
- All unauthorized and unlicensed software is prohibited on the WAS network
- Users will not engage in illegal or unethical acts, including use of network access to plan or carry out any scheme to defraud or to obtain money, or other things of value by false pretenses, promises, or representations; or to damage or destroy computer-based information or information resources

Security: Security on any computer system is a high priority, especially when the system involves many users. WAS will make every effort to screen (filter) undesirable material from the Internet and continuously upgrade and employ the maximum safety measures possible. If a user identifies a security problem on the WAS network, they must notify a System Administrator or Principal as soon as the problem is identified. However, WAS commits to using its best efforts and making every effort to screen (filter) undesirable material from the Internet and continuously upgrade and employ the maximum safety measures possible. WAS affirms that security on any computer system is a high priority.

Complaint Process

We recognize that, from time to time, questions, concerns and/or complaints may arise regarding the operation of the school and/or the school district. At WAS we will attempt to address these in a courteous, timely, and constructive manner. Our desire is to do so as close to the source of the concern or complaint as possible, in a manner that is fair to parents, students, members of the community, and WAS school staff and administration. An individual's concern will be given respectful attention while upholding the integrity of the educational system. When raising such questions, concerns or complaints we ask that they be made at an appropriate time and place in a respectful manner. They must not be made: in the presence of students, or during class time, as the initial contact person is usually the teacher, or when the issue is related to an employee, in the presence of the employee's coworkers. For questions, concerns or complaints regarding school matters, instruction, discipline or learning materials the sequence below should be followed: 1) teacher, 2) school Administration (Head Teacher and/or Assistant Superintendent of Micro Schools), 3) School Board Chairman, 4) Superintendent.

A concern or complaint will be handled in a confidential manner. In order to resolve the concern or complaint, in accordance with the Freedom of Information and Protection of Privacy Act, the information about the concern or complaint and the identity of the person lodging the concern or complaint must be disclosed to: the person or persons named in the concern or complaint, those persons who need to be contacted for information about the concern or complaint, or those persons who need to know about the concern or complaint as part of their duties, or those persons who will be responding to the concern or complaint. No action will be taken on anonymous complaints other than to refer it to the appropriate supervisor.

A WAS employee who is contacted by a parent, student or community member with a concern or complaint will advise the person of the Complaint Process. Every effort should be made to resolve the concern or complaint at the earliest stage

of the process. Each step in the process is completed in a timely manner to avoid unnecessary delays.

There are four levels of complaint process:

Level One - When a parent, student or community member has a concern or complaint, the first step is to raise the issue with the individual WAS employee at the school. The employee(s) involved shall make every effort to meet with the individual with the concern or complaint. This meeting should be: a) in person, b) one to one, and c) focused on resolving the matter.

Level Two - If a resolution is not reached with the individual employee, the individual may direct the concern or complaint to the Head Teacher or Administrator. The administration and appropriate staff members shall make every effort to meet with the individual to discuss the concern or complaint. The administration and staff members will work with the individual to find a resolution.

Level Three - If the matter is not resolved at Level Two with the Head Teacher or Administrator, the individual may direct their concern or complaint, in writing, to the WAS Board Chairman. The written documentation shall outline: a) the nature of the complaint and b) the steps taken, at the previous two levels to resolve the matter directly with the employee(s) involved. The WAS Board Chairman may meet with the individual directly to ensure the issue is heard. The WAS Board Chairman shall consider the concern or complaint, which may include gathering information, and involving other members of WAS administration as required. If the concern is regarding an educational program, the student's educational program shall continue in a manner established by the principal until the review of the concern or complaint is completed. The WAS Board Chairman shall communicate his or her decision on resolution of the concern or complaint in writing, including a rationale for the decision, within 10 business days from the date of the meeting with the individual.

Level Four - If the matter is not resolved at Level Three with the WAS Board Chairman, the individual may ask for a Alberta Conference of SDA Education Superintendent to review the concern or complaint. The request shall be in writing and include a description of the nature of the concern or complaint; steps taken to resolve the matter; a description of the decision complained; and, the reasons for the review request. The Education Superintendent may meet with the individual to ensure the issue is heard. The Superintendent shall communicate a decision on the resolution of the concern or complaint in writing, including a rationale for the decision, within 10 business days from the date of the meeting with the individual.

Appeals

A parent or a student, who is 16 years of age or older, may appeal a decision made by a WAS employee that significantly affects the education of a student, provided there are sufficient grounds for the appeal. In order for an appeal to demonstrate sufficient grounds for appeal, it must claim that the WAS employee failed to substantially follow procedures as laid out in the Parent- Student Handbook, applicable legislation or regulations; made a decision that was influenced by bias; made a decision where there was no supporting evidence; or made a decision that was not

reasonable. The failure of a person to make a decision is deemed to be a decision that may be appealed.

The determination of whether a decision “significantly affects the education of a student” must be made on a case-by-case basis. In the context of an appeal, an event will be deemed significant if it results in some kind of loss or jeopardy to a student.

The parent or student asking for an appeal must demonstrate that the decision prejudiced the student or that the action complained of materially influenced the decision. Examples of decisions that may be deemed to be decisions that significantly affect the education of a student include: decision that impedes the student’s ability to participate in or complete their program of study; access to or the accuracy or completeness of the student record; disciplinary suspensions in excess of 5 days or expulsion of a student. Where a decision is made by a WAS employee which would be appealable under this administrative regulation, the affected parent or student shall be notified of their right of appeal, and) the time limits governing the initiation of an appeal. Employee decisions that do not significantly affect the education of a student are within the final authority of the Head Teacher or Administrator

Filing an Appeal: Before filing an appeal, the parent or student must first attempt to resolve the matter using the Complaint Process. Failure by a parent or student to use the Complaint Process may result in the appeal being dismissed. A parent or student who wishes to appeal a decision that significantly affects the education of a student must file his or her appeal in writing within 20 (twenty) business days from the date the decision was made. The written appeal be submitted to the Superintendent and must contain the following information: the name and address of the parent or student filing the appeal; the current placement of the student; the decision which is being appealed; the date the parent or student was informed of the decision; where the decision was communicated in writing, a copy of the decision; the grounds for appeal (the policy, procedure, rules, regulation, and/or criteria on which the appeal is being made). If the Chief Superintendent or delegate determines that a decision of an employee is not appealable, the parent or student will be informed of the decision and the reasons for it.

Appeal Process: Once an appeal is received by the Superintendent or designate, he/she shall provide a copy of the written appeal to WAS administration and/or employee who made the decision. The Superintendent or delegate may decide the matter based upon written submissions or the Superintendent or delegate may invite oral submissions, in which case, he or she may decide the matter based on written and/or oral submissions. The WAS administration shall prepare a written report to be considered on appeal. The

report shall be in writing and distributed to the parent or student appealing the decision within the timelines set by the Superintendent or delegate. The parent or student who asked for the appeal shall be provided with an opportunity to respond, in writing, to the administration report. The Superintendent or delegate will set timelines for the response. In the event of a necessary oral hearing, the Superintendent or delegate shall notify the parent or student appealing the decision and WAS administration of the date and time of the hearing. The Superintendent may set procedural rules to conduct an oral hearing and shall provide all parties in advance, written notice of the hearing. The written notice shall include:

- that the hearing shall be held within 30 (thirty) business from the date the appeal was received
- that the parent and/or student may be accompanied by a person of their choosing at any meetings held in connection to the appeal;
- that where a parent launches an appeal, the student who is the subject of the appeal may, with consent of the parent(s), attend the hearing;
- that the Superintendent has the right to restrict the number of people attending the appeal hearing;
- the parent and/or student or their representative shall be provided an opportunity to make an oral presentation, which may include other presenters;
- administration shall be provided with an opportunity to provide an oral presentation, which may include other presenters;
- no participant may cross examine another participant at the hearing;
- the Superintendent or delegate may ask questions of the participants, as well as additional presenters;
- the Superintendent or delegate may set time limits on presentations and may limit the number of presenters; and any other procedures required to conduct the hearing in a fair manner.
- At any time during the appeal process the Superintendent or delegate may call upon legal advisors for advice and consultation.

Appeal Decision: Within 20 (twenty) business days from the hearing or close of written submissions, the Superintendent or delegate will make any decision he or she deems appropriate in regards to the appeal, including whether to uphold, alter, or revoke the decision of the matter under appeal. The Superintendent or delegate’s decision shall be in writing and provide reasons for it. The parent and/or student making the appeal shall be provided a copy of the decision. The decision of the Superintendent or delegate is the final decision. Once a final decision is made, the Superintendent shall notify the parent and/or student if the matter is one that may be appealed to the Minister of Education. An appeal is considered to be abandoned if one year elapses from the day that a step in the appeal was last taken.
